**I would see pictures of guys with their hard cocks in a girl's ass, but never thought how that could be sexy for a girl. Well, looking at pictures or even a video may be fun, but in person, it's a different story. What the images can't show is the feeling of the cock in your butt. You are pulled into the heat and eroticism of fucking a forbidden hole and all of a sudden it's a big turn on, even for me. And guys admit that they find it a big turn on, too.**

## Dear 40+:

I'm a 26 year old male writing to you about the latest issue I've found of **40+**. I find it hard to believe that there are 40 year old women out there putting out for the cameras as often as to have an ongoing magazine. Are these sexually repressed females or just horn dogs. My wife is 23 and I have a bitch of a time to get her to put out. I do not want to think that by the time I'm 40, I won't be getting anything at all – at least not from her. Maybe I just married someone with no sex drive, although before we were married, we were fucking all the time. I've tried many things to get her to put out, but ever since I put that ring on her finger, she has all but shut down her pussy. We don't have kids and I don't want to cheat on her but what the fuck, I'm horny all the time and I can't even get her to give me a hummer. I tried to "seduce" her and be romantic, but when she has a couple drinks, she all but passes out and wimps out on me. I get so frustrated with her I masturbate to relieve myself right there. She's out so she doesn't even know I do it.

The chicks in your magazine seem to like sex, or at least showing themselves off. Where the hell are these women? How come they're sexing it up and my wife's a dullard? I'm wondering if the scientists and everyone else has it all wrong with women and sex. It seems that the older they get the more sexual they become. All I can speak from is experience and mine is pretty bad. Oh shit, I hear her coming – gotta go.

– Edward, Oregon

*ED: – While we don't normally respond to reader's letters in this manner, but Edward's letter struck a chord with us. So without getting preachy or offering professional advice we'd like to respond:*

*Edward, we're sorry to hear about your frustration, but that's how it is. We don't all get a nympho and must be able to deal with what we're dealt, especially if you love each other and have committed to each other. You mentioned that you tried a few things to romance her and they didn't work. May we suggest trying some porn, or a soft porn movie to get her libido in action. Don't go right for the hardcore unless you think she'd be receptive to it. Try something a little softer and more mainstream. Have a few movies ready, each with a little more nudity or sexiness and warm her up little by little. After viewing, try to discuss it with her, but don't concentrate on the sex. Anyway, you get our drift. Try thinking outside the box and you might be able to get into hers.*

year-olds could look so good. I mostly date younger women, but after looking at those women I may go after the older stuff. I thought their boobs would be saggy and their pussies all stretched out, but man most of them look great. I hope the woman I marry will hold it together like these ladies.

— Michael, Ohio

### Dear Editor:

I just returned from England and picked up your magazine in London. I have to write to you and tell you about my experience with this British “bird” that I fucked while was over there. Her name was Jaynet and she turned 42 in July. She said her husband died a couple years ago of a heart attack and she has been “trying out different men” as she says it. I was her first American and I think she grooved on that.

We met a company mixer between our U.S. and British offices at some swanky hotel in Knightsbridge. I could tell right away that she was on the make. We talked a little business, but quickly strayed to American-British relations. She told me a bit of her story and I told her mine. After a few drinks and some business talk with others, we found our way to a balcony off the conference room to continue with our conversation. There were a few others out there trying to escape the smokers. We found a corner and continued discussing about global marketing, trust fund babies, the Queen Mum’s hat, and if American men had longer penises.

I laughed when she brought that up and said I had not seen that many guy’s penises. She laughed too, but with a quick change of tone asked if she could see mine. Needless to say,

I was taken aback by her comment and took a deep drink hoping to avoid the subject. I finally said I didn’t think it was the right thing to do, having just met and being business associates. But that did not deter her. After a few more banal questions, she brought up the subject again, and this time it did not seem so embarrassing. Maybe it was the alcohol that loosened me up, but I told her mine was pretty big. She came a little closer and put her hand right on my crotch and squeezed. I backed away, but she just squeezed harder. I looked around and there were less people on the balcony than before. She saw me looking and she looked too, but looked for a spot to drag me over to. Pulling me by the belt we ended up behind a big potted plant, pressed against the railing, overhanging the street.

She quickly undid my zipper, thrust her hand in and pulled out my dick. By now I was into it too, so I undid my belt and pulled my pants below my butt. After a few strokes it was at full salute. She was down on it before I could put my glass down with her mouth sucking in the head like she was eating hors d’oeuvres. I grabbed the back of her head and helped her with the head action, pushing it in and pulling it out of her mouth. The whole time her tongue was furious with the licks. She tried to mumble how big I was but she was so caught up in sucking me, all I heard

**40+:** Damn you woman, You have to tell us more.

**Monique:** Well... where to start? A year ago, I was going through a soul searching period about what I was doing. I enjoyed it, but wondered if I could or should keep going.

**40+:** What did you decide?

**Monique:** I decided to keep going but to cut back. It was ruining my private life and I wanted to have more of one.

**40+:** When did that light turn on?

**Monique:** For me, it was after an outdoor threeway with Nikki and a guy.

were gurgling sounds. After a few minutes of this incredible cock-sucking she hiked up her skirt and turned around so I could take her from behind. She wasn't wearing any underwear and her pussy was soaking wet. I had no trouble sticking it into her and she gave out a loud gasp as I pushed it all the way in. Apparently that got the attention of others on the balcony and I managed only a couple more strokes before someone found us "in delicato."

I heard them say, "Madam president, are you all right?" She answered "Quite." in her Brit-

ish accent and after a short pause to take in our scene, left us alone to continue. Well, I couldn't after discovering she was the president of the company. I apologized and stammered I didn't know... blah, blah, blah. She said that it was okay and not to worry about it. She had to give the keynote speech in a couple minutes and we would pick up where we left off. I said "Okay." and pulled my

pants up. She adjusted her clothes and went off to address two hundred business people with the keynote speech while I stood in the back with a shit-eating grin on my face not listening to a word she said.

– Samuel, Washington, DC

**Dear 40+,**

Monique has to be one of the finest ladies I have ever seen in a men's magazine. She is everything I want in a woman. I love her nice round boobs and butt. She wears her weight well and I'm glad she is showing it. I know I'm the type of guy that can please her. I treat my women well, in and out of the sack. I'd wine and dine her before tak-

ing her home and impressing her with my impressive and huge... baseball card collection. Every woman I've met loves it. Is there any way I can get a letter to her? I won't say anything nasty, although I'll be thinking it. Please write me back with address or phone number so I can meet this divine angel of my dreams.

– Allan, Madison, WI

**40+: OK. Go on.**

**Monique:** Well, we shot all afternoon and I got sunburned. It really hurt and I was out of commission for a week because I have sensitive skin. I missed out on some work and at the time I got upset. But by not working, I had more time to myself and I liked that.

**40+: Tell us more.**

**Monique:** That's about it. I cut back and got my life back. I'm happier.

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. I've been so happy, and more sexually active now that my new boobs aren't as new anymore. They have settled in and look great. Just the confidence I have gained from them is amazing. Here, let me show you some more.

Even with my great boobs, I find my asshole the most resilient. It's not meant to be fucked, but it just feels so damn good. And it can take a pounding and still be ready for more. I'm constantly amazed. And so are my partners that really like the fact that they can let loose in my tight little butt.

# ANITA

No, this isn't my go-to-church outfit, but I have greeted the pizza delivery girl at the door in it once. She stood there with her mouth open and that was so cute. Unbelievably, after I paid her and gave a \$10 tip, she asked if she could touch my boobs. Okay!

Anita Dark

On a day like today,  
my inhibitions have  
gone away. There  
is little to hold me  
back. Even after a  
few minutes the  
cameras and crew  
will be a blur and I'll  
be in my own little  
world. I'll be feeling  
the inside and you'll  
be looking at the  
outside. Feels like a  
fair trade to me!

I couldn't wait for my shoot today, but I have to admit I was a little worried. I knew that Jenner had a pretty thick cock and I hadn't fucked anyone in almost six months. My pussy was probably tighter than normal. But it didn't matter, I was horny!

It took me a few minutes  
to get used to the size of a  
large cock again. Even the  
head was huge and I tried  
my best to suck it good.  
But when it was time for  
my pussy to get fucked,  
I had to take it real slow.  
But the pussy's an amaz-  
ing thing. I got used to it  
and loved the way it filled  
me. I came more times  
than I can remember.  
He only came once.

## oil and stones for Louann

Over the past few years, I'd have to say mine was definitely one of the better jobs out there. After years of ad exec-ing on Chicago's Michigan Avenue, and a small mid-life crisis at turning 40, I ditched it all for the warmth and a small place in the Bahamas and went to work for one of the resorts there. I took some classes and became accredited as a masseuse and went to work. I did both men and women as the schedule demanded, but my faves were the ladies. Sure there were some overweight and some uglies, but when a good-looking one came in, I was at me best. I especially liked the pretty ones that had spats with their men the day before. Revenge can be a very horny thing. Some fall asleep on my table and, well... you know.

Admittedly I do have my favorites, and Louann is one of them. She's been to the resort three times this year, always with some new guy. I think she's an escort, but damn she is fucking hot. If I had the money, I'd bring her here, too. This last trip she must have decided I was good enough to eat. I try not to get sexually involved with my clients, but every once in a while... especially

if she's the one coming on to me, then I just can't resist. Louann will come in usually wearing a small summer dress, sandals and sunglasses. Never have I seen panties in the changing area. Her medium brown hair looks much lighter on her tan skin.

Today, she's fifteen minutes late for her massage, but that's normal, actually that's early. She's all glammed up today. I've never seen her so made up and she looks really hot. "I played a lipstick lesbian today," she says when I ask her about all the glam. Her eyeliner and eyeshadow were a deep magenta which made her blue eyes stand out. She was wearing some gold lamé with those tall, clear stripper shoes. The top she wore did little to hide her full breasts. Her short gold mini skirt barely covered her ass and her crotch. She tells me her man friend had this lezzie fetish fantasy and that's why she's dressed like that.

She comes into the massage room and I have it smelling of lavender, her favorite. She drops her stuff in the corner and begins to strip naked. "Honey, I had to fuck a couple girls today while my man watched

*I went to my knees, my tongue played in her sweet spot again, sliding from clit to anus as she backed her ass into my face.*

and they got me so horny. What I missed is a nice big cock to play with. You got one handy?" I came up behind her and placed each palm on her ass cheeks, fondling them. She turned and ripped the shirt off of me. I pulled her to me as her hands cupped my ass. One came round to find my already swelling cock, squeezing it rather hard. My hand found the zipper on her skirt, pulled it down and pushed it to her ankles. Louann kicked it off and to the side. I went to my knees as she held me by my hair.

she would pull my hair out. Her thick fluids spurted all around my tongue and ran down the sides of her upper thighs. She came rather quickly, I thought.

Without hesitation I finished stripping her and myself as I pulled her to the table and whispered for her to bend over it. I went to my knees, my tongue played in her sweet spot again, sliding from clit to anus as she backed her ass into my face. Louann used

her hands to spread her cheeks wider. I used two fingers to probe her tight, wet pussy as my tongue penetrated her anus. My fingers slid across her G-spot a few times more as she shook with another orgasm, this one being anal in origin spasming around my stiff tongue. She had pulled my head so hard into her butt cheeks that I had to hold my breath through her second climax.

She had already dropped her top and I began to nip and bite lightly at her breasts, and then she pushed my face into her crotch. I could see her pussy lips were swollen already and oozing wet. My nose close, she smelled like sex, girly sex, all perfumed and fruity. I cupped her ass cheeks in both hands and raised her hips so my tongue could find her moist slit and her erect clit. Her groans gave her away as I sucked loudly at her entrance. I stiffened my tongue and tongue fucked her as I felt her first orgasm shake her body. I thought

Her wet starry sphincter gave way easily as I slipped my cock inside. Inch by slow inch I pushed inside letting my cock invade slowly while she adjusted to my size. I was in all but the last couple inches when she begged me to fuck her harder. Now I'm balls deep in her butt, pumping her hard until I withdrew all but the head, then slamming her ass again to the bottom, my bloated balls slapping her pussy and clit. I let her dictate the pace of the strokes, as well as the penetration. I could tell Louann loved it.

She was a natural, placing one knee up on the table to open herself even wider. My balls continued to slap at her clit. My strokes were fast and deep, as her gasps of breath and her trembling legs gave her away. She grabbed my ass cheeks hard as her butt hole gripped and released me several times to match my last strokes. She again came hard. As for my climax, it was just as intense, filling her ass to overflowing as I gave one last thrust and fell completely spent onto the table.

I helped her up so she could lie tummy down on the table, her face in the cradle. I lined six heated stones down her spine. While the heat soaked in, I let my open hands slide down her sides, my fingertips barely touching her skin. Her whole body was quickly covered in chill bumps. My hands were on her ass and all talking ceased as she groaned how good it felt. I lightly oiled them and made opposing circles on the cheeks, spreading her crease wide to gaze at her charms. Her anus winked at me, as it seemed to invite me back. I let an oiled finger drag slowly down to the center of it and teasingly poked her hole again. She responded instantaneously as if to invite me in again. It was extremely difficult but I held back hoping that I could revisit her ass later in the session.

Taking the stones off her, I instructed her to roll over and I started massaging her toes, then her feet and worked my way up her legs. I bent to lick and suck at her navel. My fingers still played with her clit even though she kept her thighs together. My middle finger slipped inside her tight folds, adding to her torment of pleasure. I slid a second finger inside her tight pussy while

my other hand reached to pinch a nipple. Her body began to tremble. Just a little at first. Then she started biting her lip and tossing her head back and forth as if to be embarrassed to come a fourth time. She could not, or would not stop, it from happening. I pulled my soaked fingers from her pussy and began to slap my open hand on her labia firm enough to keep her cumming profusely. I told her to open her legs up as

my hand continued to spank her all round her upper thighs and crotch. I slapped till both her upper inner thighs and labia were a bright shade of pink and her juices dripped onto the table.

She rested for a minute on the table, then looked at the clock on the wall and got off it. She turned around fixed her hair and slowly put on her clothes. I sat on the table maked as as she looked at me watching her. Gathering up her bag from the corner, she thanked me and paid the hundred dollars I charge for the massage. "I'll be back in a few months, honey. Please mark the date on your calendar for me." Absolutely, I will.

*My hands were on her ass and all talking ceased as she groaned how good it felt. I lightly oiled them and made opposing circles on the cheeks, spreading her crease wide to gaze at her charms.*

I met Brett in the mall. We were both shopping at a famous lingerie store and started talking and trying on outfits for each other. More than an hour later, we were having dinner together and planning this little get together.

**BRETT &

Vanessa said she was up for a tryst and, of course, so was I. We met at my house and after a little wine we got started. I went down on her even before her gold sparkly pumps could come off. I like aggressive women. Fortunately for us, we had the whole day and night, so we were two satisfied horny women. Enjoy our tryst.

Everybody thinks I'm still in my thirties, but I tell them I'm older. I have good genes. Both my parents look younger than their ages, and we're all quite flattered by it. My pussy looks young also, especially after it gets a good licking and fucking.

I've had my share of men over the years and I just don't tired of them. Sometimes I want to avoid their personalities and just go right for the genitals. That's because I love a hard cock. It brings back good memories, like your favorite song does. The one that sets a time and place when you heard it as you were fucking your man.
